STATEMENT FROM SENATOR JAMES C. MOYLAN: PLEASE PAY UNEMPLOYMENT RELIEF FUNDS NOW

(Hagåtña, Guam). Governor Leon Guerrero, you have said many times during the course of this crisis that you "do not need" legislative authorization to spend monies from the CARES ACT. Current Guam Law grants you the authority to spend monies from the federal government, so pay unemployment relief funds now! It will take weeks before federal relief makes its way on island, so a temporary local program needs to be created on the interim. Our people are beyond their breaking point and this week is crucial for those who are unemployed. They cannot wait another week without money. We have $117 million dollars available from the CARES Act, so the monies are there, so please pay RELIEF FUNDS NOW!

END OF STATEMENT
